Accepted By Customer

\_\_\_\_\_  
Elcon Electric, Inc.

***Thank you for the opportunity to be of service.  
We look forward to working with you.***

***Regular Maintenance is a key component to your generator's longevity and functionality. With an Elcon Electric Generator Maintenance Plan you have successfully completed the first step in protecting your investment.***

### **Terms and Conditions**

- Generator Maintenance Visits will be performed Monday through Friday during normal business hours. Customer is responsible for scheduling appointments and must be present during visits.
- This agreement provides for two inspection visits over the 12-month contractual period.
- Equipment or parts in need of replacement or repairs will be brought to Customer's attention and billed separately on a time and material basis. Labor shall be based on preferred contract customer rates.
- Service personnel will be available on a priority basis for maintenance agreement customers.
- Agreement is transferrable to new owner upon sale of property. Customer must notify Elcon Electric of transfer in writing, along with a copy of the Sales Agreement.
- Generator unit (interior and exterior components) must be found by Elcon Electric to be in good working condition for Maintenance Agreement to be valid. Unit will be inspected and started prior to initial servicing of unit to ensure it is in proper working condition prior to acceptance of Maintenance Agreement.
- Upon completion of each maintenance visit, Elcon Electric service technician will start generator in the presence of Customer. Customer will verify that the generator is functioning properly by signing Maintenance Check List.
- This Maintenance Agreement does not warrant parts or labor . it allows for maintenance of the unit only.
- Please note that in the event of extended generator usage, manufacturers guidelines must be followed regarding oil changes.
- Elcon Electric shall not be responsible for failure to render the services described in this Agreement due to causes beyond its control.
